

Junior Field Sales Executive

Sturdy Products™ is a long established SME based at Blessington, Co. Wicklow. Our rotationally moulded plastic products are unique in the Irish market and we enjoy an unmatched design and production capacity as well as several strategic alliances with market leading manufacturers.

With over 400 products that can be found in almost every home, business and farm throughout the country, These products are sold through a multitude of channels including Wholesale; Retail, End users, OEMs, Local Authorities, Hotel; Hospital, and Constriction sectors.

We are seeking to recruit a Junior Field Sales Executive, with drive and ambition to succeed, with the ability to grow and develop to a senior position within our company. Specific industry related sales experience is not a prerequisite, but passion, hunger and drive to achieve an essential requirement for this exciting role.

The Person

- A minimum of 21 years of age
- Good energetic personality
- Full clean driving license
- Commercial and results oriented approach.
- Hunger to develop a long term career in sales.
- Previous employment experience required.

Our competitive remuneration package includes a basic salary of approx €23,000, commission, a company car and normal benefits.

Please forward your Letter of Application and C.V. by post, or by E-mail or phone for further information. Selected candidates will be then requested to complete a detailed application form
