

STURDY Log Box

Don't be left out in the cold! Install a STURDY Log Box in your home today.

EASY TO USE

The STURDY Log Box has a wide aperture to allow for ease of filling and for the extraction of logs, briquettes or turf.

EXCEPTIONALLY STRONG

The unit is robust and is designed to endure constant use during winter months.

MAINTENANCE FREE

Manufactured from UV stabilised polyethylene plastic, STURDY Log Box will not rust or rot and no painting is ever required.

MANOEUVRABILITY

An empty Log Box is lightweight and can easily be moved into location by one person.

UNIQUE DESIGN

The top of the box is designed to prevent the collection of snow and rainwater and ensures that the contents remain dry inside.

OPTIMUM CAPACITY

The STURDY Log Box is available in two sizes - 175lt & 400lt.

COLOURS

Comes in black as standard but other colours are available upon request.
