

Sturdy Secure Recycling Container

The Sturdy Secure Recycling Container is a recycling container for all types of small batteries

- The Unit is fitted with a high security slam lock which can be opened with the key provided.

The Unit has handles moulded in so it can be easily carried if necessary. It also has an optional internal liner available.

- The Container is also suitable for the following types of recycling:

- Paper
- Magazines
- Glass
- Plastic Bottles
- Aluminium Cans

- Ideal for use in factories, offices and retail outlets.

- The unit comes in a range of standard colours.

- Personalisation is also available as an optional extra.
