

Features and Benefits

The Sturdy Tack Box is designed for storing your most priced tack safely and securely. It's ideal for the professionals and the keen enthusiast.

The unit comes with a robust roller shutter door that is easy to secure, and keeps your stable clear of obstructions.

The Tack Box comes with strong wheels that will help you and your equipment get on the road on time. There are two swivel lockable wheels to keep the product in place.

Each unit has

- 2 Saddle Ranges
- 2 Bridle Hangers
- 2 Sets of Gear Hangers
- 2 Portable Tack Trays
- 1 Bucket

The Sturdy Tack Box is great way to keep your stable clean and safe. This will help you save time so you can spend it where it counts, in the saddle.
