## STURDY Hand Scoop

## The STURDY Hand Scoop is the ideal solution for spreading salt, grit or feed.

## **Product Features/Specifications**

- The Hand Scoop is manufactured from Polypropylene Plastic which makes it lightweight and easy to use. Its Plastic construction means it is resistant to corrosion from rock salt and also easier to clean.
- The Hand Scoop is ideal for spreading salt or grit on footpaths or areas of high pedestrian traffic. It can be sold separately or in conjunction with the Sturdy Grit and Salt Bunker.
- The Sturdy Hand Scoop has a nominal capacity of 175g.
- It is available in Green and Black colours as standard.
