The Sturdy Rambo Trolley

- Our New Laundry Trolley The Sturdy Rambo has been developed to deal with the toughest of the tasks.
- Our Sturdy Rambo Trolley comes with stiffening ribs for structural and aesthetic reasons.
- Sturdy Rambo uses handles along the edge for pulling and lifting, as well as using more ergonomic moulded in handles which are part of the trolley.
- Slotted peep hole to allow for the user to see through to the other side of the product.
- The top is sloped to allow the water to run off.
- The top of the trolley may be trimmed away while still maintain its strenght.
